*"Where JESUS will always be our first love"*

## Pastor's Corner

"For His Loving kindness is everlasting" I normally don't start with a scripture quote however, for this message I will. One of my favorite Psalms is 136, I love them all, but Psalm 136 so directly speaks to God's nature towards us. There are 26 verses in Psalm 136 and 26 times it says "For His Loving kindness is everlasting". I love that it affirms again and again what we desperately need to hear again and again. I think we really need to pay attention to the places where God chooses to repeat Himself and even more when God repeats Himself so many times. Remember the Bible is God's love story to mankind. No one has ever loved anyone like God loves you. "But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us." Romans 5:8. God's love is ever present and ever felt within us. It is a love that is hard to comprehend because of how Holy God is and we were so sinful, however I have never questioned it. When life beats you down remember "For His Loving kindness is everlasting" when you feel alone and forgotten remember "For His Loving kindness is everlasting". Every day you need to get up and cry out "My God's loving kindness is everlasting to me"

Love Bro. Brian

## IN THE LIFE OF THE CHURCH

Prayer is such an important part of our Armor of God and our relationship with Christ. **If you are submitting a prayer request for a friend, please seek their permission first.** We would like to respect the privacy of those listed.

## EVANGELISM/Missions Team

**Bob White, Missions Leader**

I am very appreciative for the mission/evangelism ministry comments and recommendations I have been receiving from you. As I better understand your hearts, I am more equipped for moving ahead. I am finalizing our Focus ministry speaker for June, and I will let you know as I get details confirmed. It excites and encourages me to hear conversations going on in the areas of Missions and Evangelism. There is much to be done; we just need to find out where God is leading us. He is faithful! We need to sharpen our Spiritual ears and eyes so we stay on course for our calling. May The Lord richly bless you this week.

## PRAYER

Isaiah 53:5 But he was pierced for our transgressions,  
he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed.

## HELPING HANDS MINISTRY

**Gail Swindle** - I would like to thank **Chris and Fritz** again, for pressure washing my driveway. They were here in late January and did this work, however, the HOA was not happy with the results. Chris and Fritz came out again and as usual they did a great job. I can't praise God enough for this ministry.

## REFLECTIONS FROM WEDNESDAY'S BIBLE STUDY

**Gail Swindle**

Wednesday night at our Bible study in Ephesians we talked about truth and lies, anger and other feelings, which reflect the use of our tongue. It brought my attention to Peter, the salty (the former fisherman) disciple whom Jesus chose, the one with the big mouth that got him into trouble his entire life. Peter was the cornerstone of Jesus' church, and Jesus was confident that the mysterious machinations of Grace would transform Peter's tendency to blurt things out into a great gift for proclaiming the truth. We expect God's power to obliterate our weaknesses into God's love and find ways to convert our liabilities into some of our best features, but we must seek God's direction. Only a God of Love could work in each of us a miracle, a miracle that can take our negatives and make them positives. Each of us has tendencies to blurt out "things" just as Peter. We, like Peter, need to learn to control our tongue, the most powerful muscle in our body. Yet God knew what Peter would accomplish and He also knows what each of us can accomplish **IF** we just give into God's power.

Satan was using people to attack you because he wanted you to give up. God allowed the attacks because they made you stronger. When the timer goes off, it won't be good for your enemies! (author unknown)
