"Where JESUS will always be our first love"

Pastor's Corner

To think when your life doesn't work as planned, that it's out of control is to forget that Jesus reigns for your sake and His glory. What are you facing today that you wouldn't be facing if you were in control? Where would you like to take back choices or redo decisions? So many times we think how our lives could be different if only. The "if only" or the "what if's" will drive you crazy. We must remember we are who we are and we are where we are because of God. Also remember this world is not what God had desired. It is now broken and fallen. We see things from street level, but God see everything at once, even before it happens. Your world or circumstance is not out of control it is under careful rule and guide. This rule has you in view! God is precise in His every move to care for you and to make you, His masterpiece. God precisely made you, precisely placed you, and He is precisely using you and your trials to grow His Kingdom. God loves no one more than He loves you right now. Jeremiah 31:3 "The Lord appeared to him from afar, saying, "I have loved you with an everlasting love; Therefore I have drawn you with loving kindness." Allow God to draw you in today. Allow God to shower you with His care and loving kindness. Allow His peace and grace overtake your circumstance. Stand strong in His power and you will not fall. Love Bro. Brian

EVANGELISM/Missions Team

Bob White, Missions Leader

Thank you, Lord!! I have been praying for our next Missions/Evangelism night together. God has answered my prayer and we are on track with a speaker that will complement our Father's Day worship messages. We cannot overemphasize the need for Christ filled fathers to lead our families. I pray you will be encouraged to pray for fathers to fulfill the role God has ordained in His precise order. I was glad when they said unto me, let us go into the house of the Lord (our Father - my emphasis)- (Psalm 122:1). Hear ye children, the instruction of a father, and attend to know understanding. (Proverbs 4:1). May God instruct us as we move toward Father's Day.

BUILDING COMMITTEE

Bob Shearer, Chair

Our project of hooking into the City of Rockledge has been "axed" by the City. Even, though the church was willing to contribute to most of the costs the City of Rockledge has denied our request. However, we will continue to work with the city on our other projects to renovate and add to our church, even though we will continue with the use of septic tanks. Having been annexed into the city, they will not in the future force us to hook up to city sewerage. The city will provide receptacles for garbage and recycle pickup.

WOMEN OF FAITH

Gayle Netto, Ministry Leader

The "King's Daughters Tea. This event was God driven???? Our speaker, Deb Marsalisi led us in a heartfelt discussion on forgiveness and healing. How, with our Father God, we are able to forgive, heal, have our hearts mended, and be healthy again. We supported, prayed, loved, laughed, and shared our burdens. We are able to heal only with God's love and grace. We hope and pray you are in God's Word. We pray that if you are experiencing this deep hurt inside you that you will reach out to one another and share what you have learned. We are powerful together with God. We are precious daughters of the King and are worthy of His love and forgiveness. We can have a victorious life through Jesus Christ. God bless all of you! Love in Christ.
