"Where JESUS will always be our first love"

Pastor's Corner

In Christ you have everything you need to live in peace. Grace produces what you and I desperately need but have no power to produce on our own- both vertical and horizontal peace. Jesus really is the prince of peace! He brings us peace with God first then peace within ourselves. We know sin separates us from God then when we receive Jesus as our savior, He bridges that chasm that allows us to come to God. Jesus brings us that peace that long had eluded our grasp. Our peace came, our peace lived, our peace died, then our peace rose again and lives forever. Peace now reigns on our behalf. Peace indwells us by the Spirit. God's peace graces us with everything we need and peace will finish its work in you. Peace overcomes every trial and problem you could face. Peace isn't a faded dream, no, peace is real. Peace is a Person and His name is Jesus. Jesus said in John 16:33 "These things I have spoken to you, so that in Me you may have peace. In the world you have tribulation, but take courage; I have overcome the world." Trust Him today and allow Him to fill you with His peace. Love Bro. Brian

EVANGELISM

Bob White, Ministry Leader

Praise The Lord!!! I am back in Rockledge and ready to serve our Lord in any way He directs. I am declared healthy and sound as ever with no residual effects or meds to take – thank you Lord. I am grateful to you for your understanding and prayers during my mission time. I am looking forward to the School mission project that Sandy is organizing, and getting back into the missions and evangelism program we have planned for this year. Pastor Brian and I will have an Arm Chair Interview in the November 16 evening service time. We are attempting to finalize opportunities for tracks during the upcoming holiday venues. Stay tuned for details. Ever in service until everyone has heard the Gospel.
