"Where JESUS will always be our first love"

Pastor's Corner

Since your standing with God is based not on your righteousness but on Christ's, in moments of failures, you can run to Him and not from Him. Every day the traps are laid, snares cocked back waiting for your foot, unseen pits and quicksand. I am talking about spiritual traps of course. Now all those are from the enemy and the world. Now the traps of our flesh can be just as dangerous. An unkind word or thought, an ungodly desire, a moment of selfish envy, a small compromise or unbridled greed. How about what gets us the most, spiritual laziness or complacency. One moment of spiritual complacency and you can be up to your neck in dangerous waters. But a mind continually set on Jesus keeps our feet on God's pathway. Remember God has a pathway for you everyday even if you never leave the house. God's paths are built one spiritual brick at a time. Every morning you are going to lay bricks out to walk on. Every morning, I start with the brick of truth (reading), then the brick of praise, the brick of communion (listening and talking), the brick of thankfulness, then I move to the brick of faith, then finally the brick of obedience. If my spiritual feet stay on these bricks, I have NO chance of falling into any traps. My feet will stay away from the paths of discouragement, failure, anxiousness, and the path of confusion, because I never get lost. You may sometimes get fatigued by running on God's path, but you will never fail. Build upon good bricks every day and see the great success you will obtain. **Love Bro. Brian**

EVANGELISM

Bob White, Ministry Leader

We had a safe return and it was great to be back with you on Wednesday night, as the Pastor shared details of the price Jesus paid for our redemption. Unfortunately, Nancy came down with a congestion and cough on our final days at sea that has her in a painful grip. After anointing her with the healing oil of the Holy Spirit, she is feeling better with each day. Praise God for answered prayers from you, our Church family. I am working with Pastor Brian and Sherriff Ivey to take advantage of matching funds that cuts the training for school chaplains in half. Please pray that we will find the chaplains for our local schools and they will be our lighthouse beacons for Christ in the lives of our school children. Hear more tonight. Until the last one has heard!!
